VILLAGE UPDATE

Covid restrictions have been extended until the end of September.

Mask wearing in common areas of buildings and also in outdoor areas, unless doing strenuous exercising, is now mandatory.

Remember to wear your mask, practice good hand hygiene and social distance 1.5 metres apart.

New rules for people in Greater Sydney means they can only travel within their local government area or within 5 kms from their home in any direction. A map is attached showing the 5 kms radius from the Village.

If you have any Covid symptoms, get tested and please get vaccinated. Given the speed of the spread of the Delta Variant and the concern and action taken by the Government, I urge residents who have not yet received their vaccination, **TO RECONSIDER THAT DECISION GIVEN THE VULNERABILITY TO OTHERS. NO ONE IS SAFE UNTIL WE ARE ALL SAFE.**

Please help to keep our Village safe.

1. Vaccination

Those residents who had their first vaccination at Huon Park are advised the second vaccination will be available next Monday afternoon 30th August. You will be notified of your appointment time.

2. Testing of emergency neck pendants in units

Emergency neck pendant tests for unit residents will be conducted from Wednesday 1st September. Residents will be receiving a phone call from staff to test the emergency neck pendants. Please have your pendants ready for testing.

3. Postal vote results 2021 – Annual Management Meeting and Annual General Meeting.

Many thanks to the residents and beneficiaries who completed and returned the ballot papers for the meetings. The results of those matters to be considered and voted on are shown on the following page.

4. Road upgrade works along Bobbin Head Road.

Ku-ring-gai Council have advised that road upgrade works will commence along Bobbin Head Road, between Hartley Close and Curagul Road, with road widening and a pedestrian refuge being installed near the Southern Cross facility. A detailed explanation of the works which will commence in late September and take about ten weeks, can be seen on the Council document on the notice board near the letterboxes.

Geoffrey Wolf,
General Manager

What projects have you been doing during lockdown?

Resident Florence Smart knitted a multi coloured scarf for one for her friends. She liked it so much she decided to make one for herself. Great selfie Florence!

We would love to see more craft or art pieces by our talented and creative residents. Keep up the good work.

If you don't want your photo in the Newsletter, just send a photo of your craft or art project.

Send your photos to Liz via email:

reception@thecostwolds.com.au
