COMMUNITY COMMUNICATIONS

VILLAGE UPDATE

Current rules for people in Greater Sydney still apply which means you can only travel within your local government area or within 5 kms from your home in any direction.

Only one person may visit a place of residence at any one time to provide care or assistance to vulnerable people and/or compassionate reasons.

If you're **fully vaccinated**, you can exercise or do outdoor recreational activities with up to **5 people** if everyone at the gathering aged 16 years or over are **fully vaccinated**. The limit does not include children aged 12 or under.

Being fully vaccinated means you have had **2 doses of an approved COVID-19 vaccination** or have a **medical contraindication certificate** issued to you. You must always have **proof of your vaccination** with you to show a police officer — if it's requested.

Indoor recreation facilities such as **squash courts, indoor swimming pools and gyms**, must remain closed.

Remember to wear your mask, practice good hand hygiene and social distance 1.5 metres apart. Thank you for keeping our Village safe.

Carole Brown

Residents have enquired why Carole has been away from the Village these past few weeks. As many residents knew our wonderful 'support team member' Graham Brown had been in hospital recently and sadly passed away last week. Graham was indeed a true friend of the Village, who willingly accepted and adapted to any role that provided assistance to us. Graham was at all times a gentleman and a caring individual. His tribute in the weekend Sydney Morning Herald described him as "*a friend to many and missed by all*". I know that our Village community will continue to offer support and assistance to Carole in the future.

A HUGE THANK YOU!!!!

I was humbled in the past weeks by the lovely letters, cards and generosity expressed by residents on my tenth anniversary at the Cotswolds and have been truly moved by the personal notes that have been written following the Board Chairman's notice that I will be retiring.

As I have said to the Board, I am committed to the Village until such time as a suitable successor to this role is secured. The Board is in the process of actively recruiting and residents will be updated more fully once a successful candidate has been found.

Geoffrey Wolf,
General Manager

COMMUNITY COMMUNICATIONS

What projects have you been doing during lockdown?

Denise Dewar has made this amazing "I Spy" children's quilt for her great nephew's first birthday, completed last week. She has made many quilts over the past 16 years, with fabric she collected from her various travels. She has no idea of the number of rectangles, squares, pieces of children's fabric cut and collected and will make another one soon. A colour photo is on display on the noticeboard.

We would love to see more craft or art pieces by our talented and creative residents. Keep up the good work. If you don't want your photo in the Newsletter, just send a photo of your craft or art project.

Send your photos to Liz via email: reception@thecostwolds.com.au

SUNDAY 3RD OCTOBER 2020

DAYLIGHT SAVING STARTS

Time: 2.00 am

**Remember to turn your clocks FORWARD 1 hour before
you retire on **Saturday night 2ND OCTOBER****

MONDAY 4TH OCTOBER -LABOUR DAY PUBLIC HOLIDAY

OFFICE CLOSED

The Cotswolds Office will be closed. A Co-ordinator is in attendance 24 hours a day and residents are requested to press the emergency button in their unit or apartment if they have a health, maintenance or security concern. The Co-ordinator on duty will then ring your unit/apartment to assist.

JOIN THE WAR ON WASTE!

Please remember not to put your plastic bags into the recycling bin. Take your single use plastic bags back to the supermarket or place in the red garbage bin. Use your own reusable bags when shopping.

Did you know The Cotswolds Village has a Facebook page?

Why not join and check it out. We would love to hear from residents and their families.

COMMUNITY COMMUNICATIONS

The Plover family have returned to the Village and 3 little chicks have hatched! Please drive carefully past their nesting spot when entering the Village. Due to the precarious nesting areas, chicks sometimes find themselves in strife. Chicks will stay with their parents for one or two years. They have two clutches a year. Plovers are also known for noticing their reflection on objects and pecking at it. Residents shouldn't be afraid of swooping plovers as they rarely strike.
